

# Advanced ADI-R Training Workshop

Dates: January 31st 2019 - February 2nd 2019

Phone: 415.502.4140

[STARtraining@ucsf.edu](mailto:STARtraining@ucsf.edu)

The purpose of the Advanced ADI-R Training Workshop is to provide researchers and clinicians with the training necessary to achieve fidelity and research reliability in the administration and scoring of the ADI-R. Workshop participants will be provided with collaborative feedback as they practice administering and scoring the ADI-R. After the training, the STAR Center will also review reliability tapes and provide feedback for those who wish to formally establish research reliability.

**Dates and times:** Thursday, January 31st 8am to 5pm  
Friday, February 1st: 8am to 5pm  
Saturday, February 2nd: 8am to noon

**Payment and Refund Policy:** Payments can be made via check or chartstring. A refund, minus a non-refundable \$50 application fee, will be sent to those who cancel at least 14 days prior to the course start date.

**Location:** Langley Porter Psychiatric Institute,  
401 Parnassus Ave, San Francisco, CA 94143

**Attendance Fee:** \$2000 for the 2.5-day course

**Prerequisites:** Familiarity and practice with the ADI-R

**Fee for review of post-training reliability tapes:** \$600 per tape

**Required materials:** It is highly recommended that you bring an ADI-R manual to the workshop.

Please note that enrollment is subject to space availability.
